

AHJ Training Program Pre-Order Form

NAFED's AHJ training program is a Microsoft PowerPoint-based presentation that is designed to be used by an experienced fire extinguisher service firm as a training program for authorities having jurisdiction (AHJ) and other interested parties. It is designed to assist the AHJ in recognizing the proper selection, placement, classification, and maintenance of portable fire extinguishers. The presentation is easily customizable for those with the PowerPoint program. Video clips and talking points are included with the CD order.
