### Fee Information

The annual 1-year Chem-Tel subscription period begins every year in July, though you can enroll at any time. Your initial enrollment fee is \$250 and renewals are processed in July regardless of when you enroll. If your subscription does not lapse, your renewal fee for the following year (July-July) is only \$190; once your subscription lapses, you must pay the \$250 enrollment fee to start up again. If you initially enrolled mid-year, your second year will be prorated to reflect the month in which your subscription began.
